

The KORT Complex so far

Jarrikas Update

We are really happy to announce that stage one of the complex construction - the school building, is now complete

All 3 floors for the school have been built, the outer part of the building has been plastered, the roof is complete, the stairways have been finished and all the classrooms inside have been sectioned into separate areas. There will also be science labs, IT labs and meeting rooms within the building.

Stage 2 of the complex construction is now underway, with the official stone laying ceremony taking place in February 2014 in the presence of KORT chairman Ch Mohammed Akhtar, Former PM AJ&K- Sardar Attique Ahmed Khan, (R) Chief Justice Supreme-Riaz Akhtar Ch, Ch Muhammad Tayyab and other guests.

The ground for the area is being levelled and once completed; the foundation work will get underway for the hostel buildings to be constructed.

The Masjid is progressing really well, plans for the dome to go up is well under way and plaster work for the outer section of the Masjid is nearing completion too. The building is structurally solid and pipe work for all the water and plumbing has been dug into the grounds to find water that will be safe for consumption and also used for ablution.

Your Zakaat

With Ramadhan around the corner, this is a time when many people give their zakaat to those most in need. We would like to ask for your help this year in sending your donations to KORT, to help so many helpless orphan children have a better future. All your money goes directly for the care of the children and the construction of the new educational complex.

Please see page 4 for details how to donate.

Moiz & Maeza

Moiz is a little shy around new faces; he plays cricket with the other KORT children & also likes to pass time riding his bicycle. Moiz has started saying a few words now, like 'mamma', he makes a lot of noise when someone disturbs him when he is playing. His health is very good thanks to the Almighty.

Maeza is responding very well to everyone with her expressions, she loves to smile & feels no hesitation to go to a new face. She is very healthy & is always happy, clapping her hands and crawling around.

KORT Events

Over 300 people attended our Keighley Event on the 16TH Feb 2014 with Ahmad Hussain

The event was made a success by all the volunteers and supporters of Keighley who came together to make the evening one to remember.; all of the items were auctioned off with all proceeds being sent to Mirpur. The food was lovely and the event was made a success by all the volunteers that came together and made it a day to remember. The stalls that were set had some delicious savouries and generated a lot of funds for the children. We would like to thank the people of Keighley for showing so much support and also thank KORT volunteer Zaheer along with his friends and family for making the event so memorable.

Our annual KORT fund-raising event in Reading on Sunday the 16th of March had a great response from the people of Reading

We raised plenty of funds due to the generous donations and raised awareness of KORT, and attendees kindly sponsored some more children at KORT, ensuring their welfare and education. We would like to thank Ahmad Hussain and The Musaafireen for staging such an enlightening show for us and everyone who attended.

Our Bradford Event with special guest Baroness Sayeeda Warsi

The Bradford Event was held at cafe Zoyas, and was attended by our chief special guest Baroness Sayeeda Warsi. Everyone enjoyed an evening of heart wrenching stories, deep insight into KORT and the work going on in Kashmir. We again raised more funds which will be put towards the construction work in Kashmir, which will further aid us in reaching our goal!

KORT held an event in Islamabad on March 14th 2014

The event was held to raise awareness of the work being carried out by KORT in Mirpur, Azad Kashmir. It was attended by special guests; former PM Sardar Attique Ahmed Khan and (R) Chief Justice Supreme Riaz Akhtar. Local businesses, dignitaries and the local media also attended. This event was held to expand the awareness of the work being done by KORT in Kashmir to more people throughout Pakistan, and we had an excellent turn out. One of our children, Fahim, also had a segment on the local TV news channel dedicated to him singing a beautiful nasheed. Overall, the event was a success and we hope that more people will offer their help to the orphans of Kashmir.

The children of KORT cannot wait to move to their new home in Jarrikas once it is built. They asked for your prayers to the Almighty that the complex is completed in good time and it is there for many many years to come. The children of school age will be sitting their exams very soon so they ask for all your duas for their success also.

We just wanted to say a Big Thank you to everyone who volunteered, attended, sponsored and donated at all of our events. We hope to see you at some of our events in the future! Your contribution is vital to our work, & without the support of our generous donors, KORT would not be able to operate and help the orphans of Kashmir.
