

RELOCATING TO NEW HOME SOON!

Masjid

By the grace of the Almighty the construction of the Masjid is well on its way to completion. The Minaret is structurally complete and work has been progressing well with the marble floor laid and exterior tiling complete. Currently the interior is being decorated with Arabic calligraphy in the dome.

With the help of the Almighty and your continued support we aim to have the Masjid ready within 3-6 months.

School Building

Rooms within the school building are now complete and lighting both inside and outside has been installed. A security fence has been installed around the complex to ensure maximum security for the children.

Plaques with names of those who sponsored a room have been affixed above the rooms. We would like to thank everyone who sponsored a room at our new complex.

Mess Building

The Mess Building which will be used for catering and staff accommodation is structurally complete and our construction teams are working round the clock to complete the interior and exterior finishing.

Please continue to remember us in your prayers as we enter the final phase of our construction project. Your support is greatly valued and highly appreciated.
